## DESIGN CONCEPT | 设计理念

The designer in this case takes proper proportion as axis, oriental Zen as line and sets in contemporary techniques and fashion sense to blend into living space which is like a boutique hotel. The tone of the main wall of living room together with furniture and space exhibits a layering sense, and the decorated Chinese-style window grilles without any extra frills or design will express the warmth of family. The matching of furniture complements with spindle, for example, sofa is customized

本案以拿捏得当的比例为轴，东方的禅意为线，镶入当代手法与时尚感，糅合成宛如精品酒店般的居住空间。客厅主墙沉静的色调与家具和空间展现出层次感，点缀的中式窗花让墙面不需多余的装饰或设计，就能传递家的暖意。家具的搭配呼应主轴，沙发是以古代罗汉椅为架构定制而

on the basis of the structure of ancient Lohan chair and matches with red painted single chair that made by foreign famous designers, with eastern-style integrated with western-style, thus creating a modern Zen flavor. In addition, pink frog ornaments in the bathroom, colored bottle, carved birds and something else decorating the space in the study as well as bright-colored toys together create a fun of bringing out the crucial point.

成，搭上出自国外设计名家之手的红色烤漆单椅，东西兼并营造出现代禅风的味道。另外，卫浴中粉红色的青蛙摆设，以及书房里用来点缀空间的彩色酒瓶和鸟类雕刻等，鲜艳的童玩系摆设，创造出画龙点睛的趣味！
